

#### Broccoli/Grape Salad

Broccoli - 6 cups cut up in small bites  
Red & Green Grapes - halved 1 cup each  
Pecans - 3/4 to 1 cup broken into large pieces  
Green Onions - 1/2 cup chopped  
Crumbled bacon - 1/4 cup (optional for vegetarians)(I don't normally use)

#### Dressing

Mayo - 1 cup  
Balsamic Vinegar - 2 Tablespoons  
Sugar - 1/3 cup (or NutraSweet equivalent - I have never used the equivalent)

Best is made the day/night before. I usually put in a very large zip lock bag.

If you are making only white foods - I substituted cauliflower for the broccoli and used only green grapes.  
I usually double the recipe. This time I tripled it and didn't run out.

Enjoy.
